Dear Dr Nitschke,

Re: Allegation of encouraging or assisting suicide contrary to s.2 Suicide Act 1961

I am the Operational Head of the Metropolitan Police Service Special Enquiry Team, a unit from the Homicide and Major Crime Command.

On the 16th of April 2015 you were interviewed under caution by officers from my team in relation to allegations we received that you had encouraged or assisted suicide contrary to Section 2 of the Suicide Act 1961.

I have now had the opportunity to review all the material we have gathered during the course of our investigation. As a result of this review I can confirm that no further action will be taken against you regarding this allegation of encouraging or assisting suicide contrary to s.2 of the Suicide Act 1961.

Yours sincerely
