## Exit International

**Final Exit (Australia) Ltd**  
**ACN 102 986 005**

Exit International is the non-profit organisation founded by Dr Philip Nitschke. Exit believes it is the fundamental human right of all rational adults to be able to end their lives with peace and dignity, at a time and place of their choosing.

Exit's sole source of income is donations. These donations allow Exit to operate its workshop and private visit programs, research and development as well as other new initiatives such as the Nancy's Friends Network.

Occasionally, Exit International receives bequests to support its work. Should you be in a position to support the work of Exit, we recommend that you contact a solicitor or trustee company when organising your will, and include a bequest to Exit International.

If you wish to make a bequest the following format is suggested:

I, (Mr, Mrs, Ms, Dr) \_\_\_\_\_

of

\_\_\_\_\_  
(address)

give devise and bequeath to Exit International the sum of

\_\_\_\_\_ dollars
